Call to Adjourn

Eylat Poliner so moved. That was seconded. The ayes had it.

Board Meeting

June 11, 2023

Michelle Pincus, chairing
Susan Fox, Secretary

Call to Order

Called to order at 11:02 a.m.

Present

Chairman Michelle Pincus, Vice Chairman Nick Smith, Secretary Susan Fox, Eylat Poliner, Gavin Claypool, Elayne Pelz, Christian B. McGuire, Rob "Gizmo" Powell, Cathy Johnson, Dean Johnson, and Heide Nichols. Non-board members: Webmistress Kristine Cherry, Loscon hotel coordinator Jason Justice, and club member observer Tony Benoun.

Agenda Items

The meeting started with Jason Justice offering an update on hotel negotiations and selection. We are well under way with negotiations with the Hilton Los Angeles Airport, the winning bid. He will present the current draft of the contract, but the hotel has agreed in principle with the additions. Sharing the desktop: A Group Sales Event Agreement for 2024 only. There will be three years of agreement in total with slight price increases.

We'll have a 300-room block, a conservative estimate. We should get more like 380 based on the previous year. Rates are \$145 for a single or double, \$155 for a triple, and \$165 for a quad. Sleeping rooms are broken down by type: king-sized bed, double, etc.

A highlight is that we don't have to pay any fees for meeting room rental. In exchange, we

have a food and beverage minimum. We can use our hospitality budget—\$14,000—on stuff we get from the hotel.

Eylat Poliner: Staff meal tickets instead of staff lounge. Also, an event to honor former Loscon chairs.

Justice: This gives each Loscon chair the latitude for creativity in their food event planning.

Michelle Pincus would like to discuss Loscon 49 events with Justice, also. Will take offline.

Poliner and Susan Fox will discuss Death By Chocolate and Fancy Tea events.

Justice will do what he can to negotiate the number down to \$10,000 in exchange for 350 room nights.

Dean Johnson: How comfortable are you with these numbers? Justice: *Very*. The food and beverage makes a great deal of difference to the hotel. If we come in under \$14,000, we pay the difference without taxes, etc. There's also a \$15 room night rebate.

Concessions: We don't get the Presidential Suite for free, but we do get it at the group rate.

We can seek up to three committee meetings per year with \$20 parking and free Wi-Fi for guest rooms. 20 extra free Wi-Fi codes for the function space for registration. 10 free parking passes. Tables and chairs in function spaces like dealers room, 30 sets of table and two chairs free. Stage furniture is free: risers, tables, chairs, etc.

They require a three-month notice if we wish to release any space. We probably won't.

There's a 50 percent discount if we need additional Wi-Fi access, including wired access for streaming and dealers for their payment methods. Nick Smith indicated that the Strategicon dealers had no problem with hot spots.

The rest of the language is pretty standard. Reservations need to be in by two weeks prior. Post-convention auditing is free if we give them the CSD by the end of the show. The rental cost is considered paid as long as we make 80 percent of the room nights. If we are short on food and beverage before the event, we pay the difference. OK. Book another lunch! Cancellation charges are standard and probably not an issue. A set of special conditions distinctive to fannish events: party floors, signage with non-marking tape, costumes.

By early next week, Justice hopes to have a final version of the Year One contract. Request to Christian B. McGuire for his eyes on the contract.

McGuire moves that we authorize Justice to have Elayne Pelz sign the contract when he is satisfied with the clauses that he is seeking. Moved, seconded, and accepted.

Thanks to Justice for all his work on this project.

Minutes

Corrected and approved

New Members

Tim Friedline and Yeni Alvarez De Carlo are both accepted.

Nicolas Tana did not give us address information, but that is available through the billing system. He has not actually appeared at a meeting. His family members go to Loscon. Accepted.

Treasurer's Report (Elayne Pelz)

The treasury currently has \$37,908.37.

30-Second Reports

Chairman (Michelle Pincus): No report

Vice Chairman (Nick Smith) is looking into the Westercon situation for 76. He's beginning to worry that one of their representatives is no longer on the Web site, and the hotel negotiations are still "pending."

Secretary (Susan Fox): May I please get the spreadsheet from the special meeting for discussing Loscon hotels, so I may complete their minutes, for completism? There is not much more to add except that we authorized Jason Justice to proceed with negotiations.

I need a reliable working email address for Nick Smith. Or else, please whitelist the domain Scifi.Radio. Smith's email bounced again this morning. Gmail works, though. Will send board communication via Gmail.

Comptroller (Gavin Claypool): The investment account value as of June 9, 2023, is \$791,210.42. We're up \$15,000 since May 31.

Library (Claypool): Made some progress on organizing donations since last time. Nothing specific to report now.

Quartermaster (Heide Nichols): No report

Archives (Cathy Johnson): Christian B. McGuire asked about the situation with the LASFS property that Marty Cantor was storing. It's still sealed, either in the apartment or his storage room. We received an offer from the Eaton Collection of Science Fiction & Fantasy at UC, Riverside: They want Cantor's fanzines, but we still need to sort out all of the fan history material. If you have information as to what

exactly is LASFS property, please contact Nick Smith.

McGuire thought that the storage unit was all LASFS property. Smith says that some is in his storage space, but some is in Cantor's storage space. Eaton is ready to receive more fannish materials, being more caught up on cataloging.

We can save on Archives by sending APA-L to Eaton. Smith is the one in communication with them regarding Cantor's stuff. They need things in boxes, not the whole filing cabinets: APA-L, *Shangri L'Affaires*, etc. Smith to contact Eaton, and to loop in McGuire and Cathy Johnson.

Physical Plant/Storage (Rob Powell): Nothing to report

AV Equipment (Dean Johnson): The AV equipment remains in storage.

Events (Eylat Poliner): Nick Smith has arranged for Marty Cantor's memorial gathering on June 17, from 11 a.m. to 5 p.m. at Barbara Harmon's house. It will be potluck. Poliner is helping set up, and Heath Row will support teardown. More board members and other longtime LASFSans, please come to help and greet. Smith has invited friends from the game community.

We're trying to get a portable restroom rental, but the Burbank service is reviewed as "awful," so Smith is still looking for an alternative. Poliner can ask Krystal Rains. Susan Fox will ask the Society for Creative Anachronism for recommendations.

Loscon 49 is totally on schedule, with a kickass awesome convention! Tell your friends. Full schedule of evening events. Elf Queen is interested in performing again, conditional against paid performance.

Loscon 50: Still working on contacting potential Guests of Honor. Michelle Pincus is in informal communication with potential Author Guest of Honor. Please wait a week for response. Pincus will get back to Poliner. Craig Miller and Genny Dazzo will be Fan Guests of Honor. Susan Fox will contact potential Music Guest of Honor.

The Greater Angeleno Gourmet Society (GAGS) might not happen this month because of budget issues.

Publications (Christian B. McGuire): See Archives discussion above

Marketing and Recruitment (Michelle Pincus): We have tables and tablers for the San Diego Comic-Con. Krystal Rains sold two memberships at Strategicon. Thanks to her!

Significant Others

Club President (Cathy Johnson): Can we do more auctions? Christian B. McGuire suggests July.

We have procedural officers for the second half 2023. Same slate.

- President: Cathy Johnson
- Vice President: Susan Fox
- Registrar: Eylat Poliner
- Scribe: Heath Row
- Treasurer: Elayne Plez with Debra Levin
- Meeting programming: Eylat Poliner

Some desire to hold live events or hybrid events.

Open Forum

Building discussion: Chris Marble has offered to donate \$50,000 to the building fund. We need at least \$1.2 million, of which we have \$791,000. Yeni Alvaraz is particularly enthusiastic and is scanning LoopNet. Lease budget? We can not afford a lease without draining our accounts.

Space: 3,900 square feet total for meeting, library, and social spaces. So far, Elayne Pelz can not get a commercial real estate agent interested.

Pelz asks: Does anybody have a contact in any city offices? The city of Los Angeles has an arts program for arts organizations to inhabit city-owned buildings, but the provisions seem to be too prohibitive.

If we get any leads, call the number on the For Sale sign. Or take a photo and Pelz can call them.

Eylat Poliner: Can we get the church we used before, or a cheaper space? Pelz says, maybe, if people are actually comfortable being there.

Cathy Johnson proposes a hybrid model, from now on, wherever the meeting takes place.

Christian B. McGuire: Any place we rent, we will have to set up, take down, and take away *all* the tech, every time. Johnson says it took 15 minutes at the most recent Westercon meeting.

Nick Smith: We need good Wi-Fi.

Johnson: The LASFS needs to request SCIFI officially to use the equipment. Not that much of an issue really.

Pelz: Please poll the club members next week about meeting in person and hybrid meeting technology. The church costs \$135 per meeting, which will quickly dispose of the income.

Gavin Claypool: The club should consider once a month as an in-person event and virtual meetings the rest of the time.

Poliner: In-person meetings could have auctions.

Johnson will ask on Thursday.

Pelz: Fanac would like to post *De Profundis* links, with the LASFS name mentioned for marketing benefit. Moved, seconded, and approved.

Take-Aways

Eaton collection, clubhouse search, Elayne Pelz to talk to Chris Marble about donation, Cathy Johnson to poll the club about in-person meetings.

Old Business

Charles Lee Jackson II: Last week, we did not bid on ballot colors, part of the traditional LASFS election procedure.

Cathy Johnson bid \$11, won, and deemed that the color of the ballot for president shall be fuchsia.

Susan Fox bid \$20, won, and deemed that the color of the ballot for vice president shall be blue.

Matthew Mitchell bid \$12, won, and deemed that the color of the ballot for registrar shall be goldenrod.

Jim DeTar bid \$10, won, and deemed that the color of the ballot for scribe shall be puce.

Matthew B. Tepper bid \$20, won, and deemed that the color of the ballot for treasurer shall be pink.

New Business

Cathy Johnson took the pulse of LASFSans to see whether members are interested in resuming meetings at the rented church location, perhaps once a month. We'd hold hybrid meetings to accommodate people on Zoom. An informal vote indicated that members are indeed interested in exploring the option. Elayne Pelz will reach out to the church to see if we can begin meeting in person again.
