Forry Award explained by Charles

Susan Fox & Marty Cantor explain what a Patron Saint is to the club
Patron Saint Karl Lembke

Eylat: I miss him alot, miss playing mahjong with him. He was a good person and did a lot for the club.

Ed: Karl was a person I could reach out to when I was between a rock and hard place. I miss him

Kristine/Dennis Cherry He was an incredible blood donor inspiration at 997 platelet donations

Marty Karl and I were as opposite of each other in political matters, but on the LASFS board we worked well together, the club was always the focus and our agreement.

Michelle: Karl was always supportive, and gave me a lot of support, he gave me my first committee position. He was always supportive of the club and I miss him and playing mahjong

Glenn Olson: One of the things about Karl that some might know, he was a water scientist, and we worked together often when I worked for the Fire Dept. We might disagree before starting a DnD game, but he never held it against me in the game.

Matthew, I have heard many things about how much he did for people and the club and he is worth remembering for that.

Three Rousing Cheers for Patron Saint Karl Lembke
