Minor updates:

Remodeling lobby level areas, losing space.

relocating/rearranging things.

Cool programming stuff being finalized
Volunteers for things not previously announced
Just be careful not to step on the droids in the hall

Marty, Bob Madle was the OLDEST fan, now to figure out who, Don Fitch? Maybe
Chris Marble visited 3 weeks ago, but he was asleep.

Old business None
New business None

Time Bound announcements
Nick:
New Beverly Cinema showings
American Cinematheque showings
Dark Delicacies signings

Matthew
Rare Books LAX Antiquarian Book show near LAX at The Proud Bird
This weekend

Moment of Science
James: Asteroid the size of a football stadium, the spacecraft crashed into it at 15,000mph
Live streamed

Nick Test suggest the asteroid was solid,
The debris that came off suggested it had been moved. It was orbiting another asteroid

Lee estimation of bee populations have been sadly overestimated.

Regular announcements:
None

Reviews
James: Series called The Librarians, based on a movie called The Librarian
Heide Coffin Creek Haunt, series of haunts that you can attend each, with more entertainment
Fundraiser for the Ren Faire next year.
Krystal The Cormac and Amelia case files book by Carrie Vaughn past Loscon Writer Guest of Honor
Lee: new TV show Quantum Leap new series, but connects to the original
Dean: movie Meet Puuk? On Peacock
Heath The Flesh Eaters from Outer Space Direct to video from the 80's terribly delightful and so Jersey
Debra: The Sandman series, hoping for season 2
Matthew, addendum to The Sandman

Misc
James: Peacock, special for the year available now
Cathy: After meeting zoom invitation

Susan: Moment of science: Her first eye is good, next week for the second one.

Marty Move to adjourn
